“ Diane, my thoughts and prayers are with you during this time of grief and heartache. I have missed chatting with Catherine a long time due to her not being well and not feeling like conversation . You have surely been a faithful daughter in caring for her for quite a long time. May God grant peace and comfort as you face each new day!

“ Diane, I am so sorry to hear of Catherine's passing. You already know this, but you had one of the sweetest mother's I know. I loved her humor and will miss not having her in the neighborhood. She is in God's hands now...never ill or tired again. God bless you always.
