“ *Upon hearing of Janet's passing my heart dropped for I realized God had called another true friend from my life. But you know she will never leave for I see her in each of her children, grand babies, sisters, brother, nieces and nephews. What a big loving family. When we see each other you can be sure we'll reminisce about the times we shared with you. Family, remember to lift each other up with love for that is what Janet exhibited whenever she was with us. I'll miss you dearly old friend.* ”

“ I remember aunt Janet pressing our hair. Straighten to the roots and burning your neck and the same time. She would say "O that's the grease". Rest peacefully. Love and miss you!
