“ You was such a beautiful light and so  
charismatic in my younger days. And never  
changed. I have loved you forever and will  
continue forever more. You will always be one  
of my absolute favorites to just laugh and  
giggle with. You loved us just like your own and I am so honored to  
have gotten the memories I did. I love and miss you always. Til I  
see you again kitty cat 🐾💔🥺

“ I have know Kitty for about 50 years...she was  
always so sweet...she reminded me so much  
of her mom...My brother was her date at high  
school prom...I remember going to her mom  
and dad's house years ago and playing music  
and singing for the family...All my family loved all of her family and it  
breaks my heart that Jimmy and Gene lost their baby sister...My  
thought and prayers are with all of her family...May God give you  
strength and comfort you through your sorrow 💔
