“ *Catrinia was my sister from another mother. She was a one of a kind. Always with the best advise I've ever gotten. Always compassionate and intense on the things she loved: NASCAR (she knew every stat of every driver) Voting Laws - knew them like the back of her hand, and fought to make sure there was no interference or voter intimidation when voting started to get crazy. She loved with everything she had - especially her family and friends. I will miss her terribly, but I have years of memories, talks, and lots of laughter. Rest in Peace Sis*

“ *My Dearest Friend, 45 years of ups and downs. The memories we made together will not fit on this page, so I will keep them, cherish them, and share with others. Thank you for your friendship and to all the Barneycastles for making me a part of the family. I love you all. And to Tina as we've been saying forever, Sweet Dreams Chickadee, until we meet again. Love and Laughter Always, Faye*

“ Mom I am missing you day. You were my biggest supporter, and now that you’re gone, your love is a strength I carry with me. The world feels quieter somehow but I feel your presence in my heart. I miss your laughter, your wisdom and your hugs. I will forever hold your acts of love in my heart. I love you and will miss you for the rest of my life.
