“ Milton was a big quiet man, which may have intimidated some people, but i remember when my daughter was a little girl I introduced her to Milton. She was "checking him out"and he spoke to her and gave her that Milton Brown smile and she smiled back at him. The moment was priceless. We will miss Milton "The Gentle Giant"

“ sorry to hear of Milton's passing. He was a kind spirit and if people had taken time to listen to him, a very caring man who knew a lot of stuff. Remember, a kind word to someone means a lot. He was a friend of mine.

“ When I was a kid, my brothers and cousins used to ride our bikes from the courthouse to the dump. Mr Brown would set aside old bicycles that were tossed in to the dump and he would save them for us to use for spare parts. He would use his own tools out of his International Scout to swap out tires, seats, handlebars or front forks and we would ride our bikes off in better working condition than we rode in. He was always a quiet and generous person. Prayers and condolences to his family and friends.

“ I will always remember chit chatting with Milton at different places around town or when I was working (waitress) and he was my table to serve. A sweet man with such a gentle soul, I truly enjoyed talking with him, always left me with a smile.
