“ I met Charlie over 20 years ago when he and Annemarie came to Philadelphia. We connected every time they came to the area. Charlie demonstrated a quiet strength. He had a beautiful smile. I always enjoyed our times together. He was a peaceful man. He will be missed by all who knew him, especially his loving partner, Annemarie. My prayers are with you and your entire family.

“ I loved Uncle Charlie dearly. Music was a big part of his life and he was a talented musician. He loved all types of music and played saxophone in a band with Dean Greer. My husband Joe and I would go to their events and dance the night away. Uncle Charlie was especially close to my parents, his sister, Rose and Pete Heggie. And as such, I saw him daily for most of my life. He was kind and caring, always with a big smile. I know he is now reunited with our loving family in Heaven and I will see him again one day.

“ Uncle Charles was always happy and smiling. He attended many of my events growing up and rarely missed a birthday party. He was kind, caring and always interested in what I was doing. He is the last of eight siblings and I'm certain the Heavenly reunion is wonderful. Rest in peace, Uncle Charles, until we meet again.

“ I am so sorry to hear about my Uncle Charles. I loved him dearly. I have so many memories with him. My Dad, his brother Joseph (Joe) loved him so much, they are in Heaven together again having a great time. I have home movies with Uncle Charles playing the sax & me dancing the twist & playing in the snow. Great Times for sure. I will always remember his laugh & smile warms my heart. I will be praying the family to have peace & hold the memories close to your heart. Love always Trina Johnson Alexander

“ My condolences to everyone close to Charles. I will always have fond memories of my Uncle Charles. My dad (Charles' brother Clarence) and mom moved to California after the war. We went back to Virginia every couple of years to visit. I don't think I ever saw my dad happier than when he was with Charles and their mom. It seemed that Uncle Charles always had a smile. He made you feel like the most important person in the world. My parents thought so much of Uncle Charles, they named me after him. I'm sure he took that great smile right to heaven with him.
