“ I am deeply saddened to learn of Charles passing. He and I dated several years ago and although we went our separate ways we still remained friends. I last saw Charles a few months ago when he came to my dads house to fix his water pipe. I could always call and count on him to help with repairing or fixing something. To his family... I pray God give you strength during this difficult time. Charles will forever be in my heart! Sending condolences and prayers to all of you and may his memories be everlasting 🙏

“ Dear Family,

*I am so sorry for the loss of Charles Jr. I still can't believe that my cousin is gone. It seems like yesterday when we were kids running about playing and arguing in the back yard. When we were finished we would retreat towards one of two homes for something to eat as ask for "Mama Ann" or "Ma Fanny" to fix us something.*

*We were two of the few 1962 family babies which also included Robert Burrell, III. My army daddy Frank Taylor Sr. who was initially assigned to be deployed to a military base in Germany, instead requested a post near to his family so that Frank Jr. and I could know our family's better. Charles Jr. and his siblings were the among the first extended relatives on my dad's side that we got to know. Even though it has been a while since we visited, it hurts to know that I will never see him again on this earth.*

*In particular, we wish our family: Charles, Sr. Barbara Ann, Donald (Tony), Michael, Charna, Aunt Fannie, Teara, Bradley, Charles, Justin and Asber beautiful memories of Charles Jr. and the assurance that as saved Christians...they will spend an eternity with him in the future.*

*May God continue to comfort and bless you all.*

“ I worked with Charles for 30+ years, he took ownership for his position and his area of responsibility. We didn't always agree but had respect for each other and always got along. We talked about family and faith often among other things. I know where he is now, without pain and stress. Prayers with his loved ones during this time.
