“ *Uncle Charlie I have so many wonderful memories of you. I know I was very special to you and you told me often. You and Aunt Eleanor loved me and spent a lot of time with us growing up. From being an infant and having a piece of hair wrapped around my finger, no one noticed it but you. I almost lost the tip of my finger because of that, but you were so attentive to me and you saw it right away. I still have the scar, and it reminds me every day how much of a blessing it was to have you in my life. I will cherish every second spend with you and know I loved you just as much as you loved me. Until we meet again...xoxoxo*

“ *Papa,  
I will always remember the days spent on Cheatham Drive. Picking grapes, collecting locust shells around that big oak tree, swinging on the front porch singing John Anderson songs and watching Hee Haw. There are so many great memories that I have of you and Nanny. I could write a book. I will hold them in my heart forever.*
