“ I’ve known Cheryl for almost 20 years. I was-so lucky to have had 4 of her beautiful Sheltie pups. She had a special-bond with-my autistic son,and was able-to know which pup-would be special to him,and she was always right.Her kindness and generosity made her one of the most special- people i know. I’m sure my 3 girls in heaven are happy to see her again.My sincerest condolences to her family, my prayers are with all of you.

“ Cheryl was a wonderful sister-in-law who provided love, joy, and help to whoever she met. She could talk to anyone any time and lift them up. She also provided us with great counsel and help for all of our pets throughout the years. Her beautiful smile and caring way will be greatly missed.

“ Cheryl became my friend when she sold me my first foundation breeding sheltie, Star. I was able to meet her in person and have several dinners out with her while at the Sheltie National in Virginia Beach. I loved her warm personality and wonderful sense of humor. Cheryl and I had MANY phone conversations, including instructions on taking off puppy dewclaws with my very first litter! She lead my hand via long distance. She will always be warmly remembered for her kindness and her positive attitude! My sincere condolences to her husband, Ray, and her family.

“ Cheryl, I'm sure your beautiful Shelties were there to greet you. Even through your illness, you were a quiet constant. You are pain free now, so "take them around."
Heart felt condolences to Ray and the rest of the family.
