“ As former HR Director of James City County, I had the privilege of working with Christal for most of her 35 years. Chris was a talented employee and supervisor. She was warm and caring with a ready smile that had a way of brightening your day.

“ *'Ms. Chris' is what I always called you. You made coming to work so much more enjoyable. I always would crack when I would hear you laugh. You were so down to earth and by far one of the easiest people to talk to. My thoughts and prayers goes out to the family. I will truly miss you and will cherish the memories I have. Love you Ms. Chris.*

“ *Christal became a good friend before I moved to Williamsburg when I worked for the Middlesex County School Board purchasing equipment and supplies. I first met her over forty years ago by telephone when she worked for Colonial Typewriters. During a vendor event there we met in person. She had a very giving spirit and warm smile. Later, after we both were employed with James City County we shared much laughter and funny stories from our past. I will remember Christal.*

All of the family has my deepest sympathy and prayers for healing. The many memories of your loved one will always be with you.

“ I will always be grateful to have known my dear friend Christal. She was such a warm and loving person whom I have known for over 40 years; from the time she worked at Colonial Typewriters and James City County. We always planned to go to lunch before we retired. We didn't get to do lunch, but we did have dinner with her which included Grace, and Amy Driscoll. We laughed and ate to our hearts content and I will always remember that evening. I pray for her family that God will bless and comfort you and bring peace to your hearts as only he can.
