*Mom, I miss you so very much. I don't know what I'm going to do without you. You were my rock, my best friend but didn't hesitate to put me in my place either. I miss us calling each other just see what the other is doing or to aggravate each other. This is the worst pain I have ever felt*

“ *You were the first to go see mom. I enjoyed so much the sisters phone call all of us shared 3 days a week. We had talked 3 times a week for over 2 years. So glad for the times, laughed and stories you told. Won't be the same without you. Your love will forever remain with us. We will meet again in heaven. Tell mom we miss her so bad.
