“ *So sorry to hear of Mrs. Taylor's passing. When my family moved to New Kent in 1971 she was the first of my new friends' moms that I met and I distinctly remember thinking how beautiful she was. She was a Providence Forge staple and will be missed by many. My heartfelt sympathy to her entire family and friends. RIP Mrs. Taylor.*

“ I was so sorry to hear of Chris's passing. I grew up on the farm next to Frank and Chris and also grew up with the kids. I worked for Frank in the summer farming and always enjoyed the great sandwiches that Chris would make, if we were close enough to home to grab lunch. After growing up, I always enjoyed my visits with Frank and Chris whenever I could get by there! My visits were never boring and you never knew where the conversation was going to take us! One thing for sure, it was always a good time, and never a dull moment!

To the kids....Renee, Elaine, Terry and Frankie, i feel your loss! We are family !

“ Ms. Taylor was a great friend. I have wonderful memories of sitting with her at her house and talking about the Lord. We had great fellowship and laughs together. I miss her terribly but it's a joy to know that I will see her again in eternity! We spent time watching her many pets and her hummingbirds at the back window who would come for a drink. She would often tell me about her prayers for her family. I will continue those prayers for her. Our condolences to the family. May God's peace comfort you during this sad time and our love goes out to all of you. Thank you for the kindness you always gave me.

“ I have wonderful memories as a pre-teen and teen of time spent in the Taylor home, having Fondue dinners (which was revolutionary to me!!) and laughing around the dinner table. I always felt so welcome there! God bless you. Now you are whole & new again and together with Frank & Nita!! My love and thoughts go out to the family.
