“ Judy, I was searching for you and Cliff. Had lost your number long ago and remembered that you all lived in Virginia and this sadly popped up. Just saw this and want you to know you will be in our prayers. The first time I met Cliff was at Flora Heights Christian Church. He was so handsome and in uniform for KMI. He always teased me which made me mad. I remember seeing you all dancing at teen club and how smooth you guys were together. Just the perfect couple. I know that you have been through a very hard time with this illness these past few years. Jerry's dad had it. So glad that you are now near your daughter and family. I thank the Lord that Cliff knew Jesus and that you will be able to be reunited in heaven because of your faiths in Christ. Life is hard but heaven is forever. I hope that you see this. I will pass this on to Cliff's Butler HS class members. We have lost many since the 50th reunion. Hugs to you sweet gal.

Jerry and Marty Rice...marty is writing this but Jerry really liked Cliff.

“ Judy is my pretty sister and I know that she and cliff were deeply in love...the first time I saw cliff was at a teen club! I tagged along with judy and our friend Della Berger! They were looking for boys and I was looking to dance 🕺
Cliff entered the teen club in a baby blue sweater and that dark hair...he was sooo handsome !!! judy and Della were drooling over this handsome boy 😍 Judy and cliff were together until he went to his Heavenly Father!
They just could not get enough kisses and 😊😘💕. It was true love blessed by God! Judy was inspiring in her devotion and care with which she shared with Cliff !!!
His daughter Catherine and grandson, Chandler will tremendously miss him !!! They are so spirit-filled that they are at peace knowing that Cliff is now in the arms of Our Lord Jesus Christ !!! ALLELUIA, AMEN

“ I first met Cliff at a Teen Club, I was with Judy. I was with Cliff and Judy was with his friend we went riding in his car. He asked me out again but I went back with someone else at the time. So I told him no and why. I heard him and Judy were dating, I was glad for them both, and he did get the girl of his Dreams. The last time I saw him with Judy, I told him he did pick the right one, he just smiled! Rest in Peace Cliff, you are your self again and with your love ones. Judy my BFF take care and know he is with God and God is with you also. I love you both! Della & Mo Moberley
