“ I have so many memories of Dusty, Barbara and Clif from my "horsing" days with Clif and Carrot. Mom and Barbara were great friends, Dusty, quiet yet friendly and always a Joy to be around. The last time I saw Dusty was at a convenience store in WP and that was the day he told me of Barbara's cancer. I never got to meet Joyce but wish I had. Dusty was such a good man, dad and friend. He sure will be missed. Prayers 🙏🙏🙏

“ I will always remember Dwight getting his hair cut by Bill at West Point Barbershop and having the privilege of cutting his hair myself for the last 6 yrs. I enjoyed his stories of him and his wife going on their trip around the world as he called it. I asked him if he knew when the barbershop had first opened and he said '1935' . I'm glad I asked him cause I will always be grateful he told me. I will miss you . Love to the family. God Bless. - Rebecca Carter at West Point Family Barbershop.

“ Sending love and prayers to the Rhodes family. I am so sad to hear of Dusty's passing. But, I am so happy that he was granted the many years he lived on this earth bestowing his love and kindness to everyone that he met. I will miss him so much and hope he watches over us as an angel in heaven. I first met Dusty and Barbara when I was 12 years and they were like a second set of parents to me for many, many years. They were both so full of love. The adventures with horses and traveling and so many other things are so precious to me and so many who were graced with their friendship. The memories will live forever in my heart. To Cliff and Allison and their daughters and Joyce - thank you for sharing this great man with so many people who knew him as a kind hearted soul.

“ When I was a young boy Dwight was my dad's mentor. I can remember vividly visiting his farm to see Carrot their horse who I thought was the greatest thing. He was always a gentleman and whenever you saw him it was like you had seen him the previous day even if it had been years.
