“ *Colleen, what a beautiful lady. It touched our hearts to see how happy she made Phil. He deserves the very best life has to offer and he got it while married to her. Our families have been very close over the years. We have shared happiness and tears together as Colleen stood quietly by and supported Phil. We are going to miss you so much. I hope she knows how much she was loved and by how many. Phil, you are in our hearts and our prayers at this time. We love you!* ”

“ *My friends James and Brenda Donovan introduced me to Colleen and her husband Phil. Over the years of playing cards and tailgating at RIR for the NASCAR races, and some great New Years Eve parties, Coleen was always the life of the party, with her wit, and friendly, outgoing, and all her cheerfulness. She and Phil have become very good friends of mine, and I will miss Colleen dearly. My heart and prayers go out to Phil and his family, as well as Coleen's family. Coleen was a great lady and will be missed by all.*
