“ *Coralie was so full of life and love. I remember her driving around in her convertible all dressed up to go out. There was always a memory of her in the marching band, she may have been the drum major with high white boots. Coralie was a very beautiful woman inside and out. We always loved her family stories and her enthusiasm. She has touched so many lives and changed them for the better. We will miss her. God Bless her family in this difficult time. We love you!
