So sorry Les, (that is what I remember him calling you when you were little). As hard as it is he would want you to remember the happy times you shared throughout the years. Try to stay strong and know that he loved you very much💖

“ Thoughts, prayers and love are sent to the VanHoudt family. Curtis was a big part of my teenage years--Me and Drena have so many wonderful memories because of him, we often have said we could write a book about all of our good times. Thank you Curtis for loving us, always putting up with us and giving us a place to hang out. Rest in peace--I know you are in a better place and are now with your family members in heaven.
