

Dallas Arnold Branch

June 27, 1967 - September 24, 2025

Dallas Arnold Branch, 58, of James City County, Virginia entered eternal rest on September 24, 2025. Dallas was a caring, straight to the point, funny charismatic man. His love for his family was unconditional, deep and steadfast. In his early life, he graduated from Lafayette High School where he then proceeded to go to college in computer technology for two years.

He enjoyed learning computer mechanics and working on cars. It eventually became a big hobby of his to fix and restore cars which he continued to do his entire life. His passion was his logging business, Branch's Logging, in which he had dreams of winning the lottery so he could open it back up one day. In 2013, Dallas started as a weekender for the brewery. He worked in packaging and was a core team member of line 73. He then became a full-time employee and continued his position there for 13 years.

Dallas is preceded in death by his parents, James Arnold & Juantia Ellen Branch; brothers, Daniel, David, & Donald Branch; and his sister, Sarah McMillion.

Dallas's greatest accomplishments and achievements were his 5 amazing children. He is survived by his wife, Angela Nicole Terrell; daughters, Skylar

Belle Branch & Kinsley Ellen Branch; stepchildren, Dayton Cole Palma, Jasmine Nicole Shelton, and Abigail Leigh Shelton; his siblings, Linda Branch & James Meredith, Lisa Vinson & Jeff Vinson, Laura Ayers, Loretta Branch, Deborah & Erik Kaldmaa, Issac McMillion; and many nieces, nephews, and extended family.

“ *"Its all about the kids, man"*
-Dallas Branch

Those were his last words to me a few years ago as I parted the hour long conversation. Dallas was a good man and better than most, he loved his family undeniably. He deserved to be validated. Maybe now in his absence, it will be realized. My heart aches for all that knew and loved him but especially for his youngest daughter.

“ God blessed us with 58 years!! I can see mom embracing you tight, Don Don giving you that speech, David giving you that ^5, and Daniel showing you his smooth moves! And finally.....daddy saying boy come here, your home safe & sound! Us here on earth will miss that knowledgeable brother who knew more and could argue the point better, making us be thankful for how we were raised, stood for the good and right, knowing better and being honest respectful. Ill never forget how we stood hand & hand going into high school, thinking I had you, no one would mess with me! My little brother who's life on earth is done... spread those wings and shine... you're free. You recently said Sis I love you, I said utoh, what's wrong, you replied *we just don't say it enough*...that touched my heart more than you knew!.. now because of who I am... if you have any pull, please help our Cowboys kick some butt!
I love you.. I will see you again! RiP

“ *You taught me strength in a silent way,
To find the sun in every day.
Your laughter echoes in my mind,
A warmth you've left for all to find.
Though your chair is empty now,
Your wisdom lives within my soul,
A compass when I lose control.*
