“ *Crystal and family, I am shocked beyond words and my heart aches for you. Danny was one of the most remarkable men I've ever known. He was brimming with grace, kindness, gentility, and honor. There truly are not enough accolades to describe his admirable strength of character. We so looked forward to greeting all of you. I will never forget this good man and I will miss him greatly. I pray that God will give you comfort and peace in knowing that Danny is most definitely with Him. I have come to love you all. Please remain in touch. Ann Duval*

“ *We can't express our sympathy enough to hear about Danny's passing. We wanted to attend his viewing and service, but my husband's health haan't allowed us to get out like we should, so just wanted the family to know our memories of his expert advice with the trees in our yard and the trimming of them will never be forgotten. We had referred so many families to his business and are glad that you will continue his work. He would be so proud to hear this. Our heartfelt prayers are with his family at this time.*
