April 11, 1944 - May 2, 2024

David Michael Andrascik, age 80 of Sandston, VA, passed away peacefully at home on Thursday, May 2, 2024. “ Dear Dave; I hold so many great memories , the first being in 1981 when I was 13 & coming to America to visit my grandparents. You were introduced to me as Grandpas best work friend. We all went camping together to Shenandoah, whereupon our families forged a lifelong friendship. Over the years, I returned on many occasions to see my grandparents, visiting you and Janet too. We'd eat out at the Olive Garden, one of your favourites. Then I married Selina, and together we visited, later on, bringing her parents John & Wendy. We all got on famously. This time we insisted that both you and Janet come to us....we wanted to show you England. One of our highlights was welcoming you and Janet, and how we enjoyed you staying in the little cottage at the bottom of our garden! We so enjoyed returning the compliment, showing you and Janet our neck of the woods- what a great time we had!

Well they say timing is everything & in March this year, I was asked to visit Washington for work. What a golden opportunity that was for me, to be able to pop down the 95 to see our dear friends! We shared many memories, laughs & enjoyed reminiscing. I'm so thankful to have been able to visit you both and catch up with Michael and Cody too.

Dave, you were great & I shall cherish those memories. And to you Janet, you can be sure that we will be checking in when we next have the opportunity. X

“ We were backdoor neighbors for many years and David often stopped by for a short visit when he walked his dogs. I remember an Air Show that we went to together as one trip, and I remember his daughter Anita and our daughter wanted to walk in a marathon when they were young, boy the spirit they showed by not quitting was I am sure a trait David and Janet instilled in their family. Our thoughts, prayers, and memories are with the family as you realize Dave is finally well again.

“ I met Dave over 3 years ago he was the funniest man to care for. Dave loved to sneak out of bed at night to eat whatever sweet things he could get his hands on . You catch him I got nothing with his mouth full of chocolate cake. It was always a joy to take care of Dave even to the end. I miss him already. I will see you again on heaven.
