“ I only met David once for a few minutes. My sweet friend, Missy, had him stop on their way back into town from a road trip. She was so excited for me to meet him.

Larger than life? Absolutely, and the man that held the key to Missy's heart.

I was shocked to hear of his passing and my heart broke for Missy. I am very thankful they crossed paths and could offer each other unconditional love. Although it may not have been a lifetime, they had a lifetime together in a short period of time.

“ Spent a lot of time with David as a young kid and reconnected with him when I returned to West Point for High School and then again when he visited the store. We always reconnected as if time had never passed. My heart goes out to his family and he will be greatly missed by myself and many others.

“ *I've known David since high school. He was always smiling and happy. We reconnected a couple years ago on Facebook. He sent me his phone number and I called. We had a good conversation catching up on each other's lives. He was a great guy and he'll be sorely missed by many. Prayers for the family's comfort in this very sad time.*
