“ I was close friends with Dave in high school before most of anyone here even knew him. We went to Lafayette high in Williamsburg . From 76-78 I saw him or talked to him about every day. Me, Tim E., Dave, Ernie S. and Joe L. ruled the streets of Willie burg for 3 years. He joined the Army right when I joined the Navy. Dave always had the coolest cars a 65 Impala Super sport and a 68 out Cutlass supreme that he and his uncle customized. He was a great guy and a dear friend to me. His Mom was the coolest. We lost touch in the early 80s but I carried his Army picture in my wallet for a long time. Thanks for the memories brother. If any of you want to hear more about our exploits give me shout. “ *Colleen - My heart is broken for you. There are so many memories, from David being in our wedding, to bowling, to hanging out on the weekends, all those BFI Christmas parties. David was funny, caring and intelligent, and will be greatly missed. We love you Colleen. Doug and Lori Armstead*
