“ Dear Sandra, I am so sorry to hear about Dave. This is Jackie (IJL). I have not been on FB for 2 weeks, so I did not know. It has always been so nice to see the two of you, even though it has been a good while since we last met. I know the Lord will be with you in a special way as you adjust to a totally new way of life.

“ Dear Sandra, Linda and I are so sorry for your loss. I surely loved walking up the hill and seeing my friend Dave out in the driveway probably supervising the car being cleaned and detailed. We do like our cars clean. I think he always loved seeing Sammy and Sammy loved to go say hi to him. And I certainly loved our conversations about either the Marine Corps or how we weren't getting paid for travel by the VA. LOL. We will sure miss him. I am very sorry I could not be at the service. Doctors appointments as usual. Always remember we are a few houses up the street if you need anything. Love Dave, Linda and Sammy.

“ *When I lived in West Point and was attending church, David was one of the people I always looked for to say hello! I enjoyed our little chats before service would start. I always sensed he had a good soul and no doubt he's with God and His Angels now. With prayers and love,
