“ It's been said that you can recognize a true smile if the person smiles with their eyes. This is what I always noticed about David. He always had a genuinely warm smile.

“ I first met David when he worked with my wife Beverly in West Point several years ago. He was such a fine gentleman who possessed such a pleasant personality. Then came his employment with the Richmond Police Department. Never a time when I called was he not willing to assist with the problems I encountered related to computers. Very fortunate to have a man of his knowledge employed by RPD. Most fortunate to have been given the opportunity to know David. We extend our deepest sympathy to family, friends and co workers. God Bless!!!! J.D. and Beverly Ross
