“ I want his family to know that he always talked about all of you whenever I had the chance to be around him and he was always saying I wish I had done this and done that but he did so much in his own kind ways. I knew Ruth for many years as she use to hang around The West Point Pharmacy most every day and come to find out she was really working there ! I came to know her whole family .. her husband whom I knew for a long time before they married .. his wife .. and grand kids .. brothers and a multitude of friends who will miss him and his special way of showing kindness to all who came in contact with him ! Rest in Peace David for your memories will live on FOREVER !
