“ Dean was a long time family friend from the time he first came to West Point. I was told he would read the funny papers to me. I remember from over 60 years ago of riding in the old boom truck he used to load logs onto trailers. I'll also remember how glad he was to see me several years ago at a school reunion in WP. He will be missed by all of his friends. Best wishes to his family at this difficult time.

“ Wayne & Sandy, the Timberlake's are so very sorry for your loss.  
When I became a member of my Cindy's family, I felt like I became  
a part of your family, with Cindy & Sandy being like sisters. Your  
parents welcomed me as if I belonged. Your dad's stories &  
knowledge of the singers & musicians of Country Music were  
always entertaining & very informative. He was greatly loved & will  
be missed in many spheres of this world. But now that great  
baritone voice of his is singing to the heavens. I am a better person  
for knowing him,

“ I am so sorry, Wayne and Sandy. I have such vivid memories of the “hill gang” hanging out while growing up in your house. I so wanted to be a singer in your band, Wayne. That was so much fun, jamming at your house. Your mom and dad always welcomed us in your home. Your dad could really sing. Both of your parents helped me grow up. I love you guys and will be praying for comfort and peace in the coming days.

“ Wayne and Sandy - My childhood and the rest of the "kids on the hill" was absolutely wonderful due to the fact that all of our parents opened their homes and hearts to each of us - keeping us grounded; which made us all your brothers and sisters. My heart and love goes out to you - I know your hurting and hope that all of your good memories carry you through this difficult time.

“ Sincere condolences to Wayne and Sandy and to the Greer and Hogge families.

*Such nice memories with Dean while living in West Point. Many home socials, dinner outings and weekend trips to Washington DC and alike.*

*Such a genuine and endearing man.  
I know you are smiling and having a nice reunited dance with Christine!*

“ There will be books written about Dean’s influence on Nashville when Country was Still Country! When Ray Price and so many others pulled their Bus into Christines and Deans for Breakfast before heading to their next Gig! I saw it happen so many weekends! Life was good .....picked me up one night in a new White Lincoln Continental to Play Tilly’s. Gave me \$25.00. Paid my room rent and food for a week at RPI. Loved this guy!
