

## Debbie Griffith

October 3, 1957 - September 2, 2017

Debbie Slater Griffith passed away September 2, 2017, at home with her family. She found peace when she looked to the heavens and departed her weakened body to receive her wings, from her savior, Jesus Christ.

Debbie was preceded in death by her father, Eugene H. Slater; grandparents, Frederick "Fred" and Ila Mae "Mickey" Stewart; and step-father, Jim "Da Judge" McClure. She is survived by her husband of 33 years, Steve Griffith; two sons, Meredith Otey, and his wife, Sara, Brandon Griffith and his fiancé, Tiffany Loughrey; eleven grandchildren; and her "adopted" daughter, Rachel Wood. She is also survived by her devoted mother, Phyllis McClure; sister, Diane McClure; step-brother, Jimmy McClure; mother-in-law, Nancy Griffith; many brothers-in-law, sisters-in-law, aunts, uncles, nieces and nephews; as well as her houseboat family and friends; her "special sisters", whom she loved unconditionally; and special friends, Bernard (Bernie) and Mary Willkomm.

Debbie was a lifelong member of Liberty Baptist Church and had recently joined Tsena Commocko Baptist Church. Debbie loved taking her "grandbabies" to both churches every Sunday she was able, and they loved her for it.

A memorial service will be held 11 AM, Saturday, September 9th at Liberty Baptist Church, 15810 Liberty Church Rd., Lanexa, VA 23089, with Pastor Ed Preston officiating.

In lieu of flowers, please make donations in her memory to At Home Care &

Hospice of Williamsburg, [www.athomecareandhospice.com](http://www.athomecareandhospice.com).

We feel that her heart is now bringing great joy in heaven, and she would not want us to mourn her passing, but rejoice that she went Home, to be alive forever.

“ Hey Nana ❤️ I know you see everything that's been going on around here. I love you and miss you very much. I just think about what you would do... And you're so naughty. I can't do those things. I have to do it differently, I have to do it the right good way, and it's breaking my heart. Anyways, say hello to RC for me please, and anyone else who may care. I'll see you soon, but not too soon. ❤️

“ **TWO YEARS TODAY !** *It's not any easier. I miss your wisdom, your beautiful smile, that sincere laugh, those Shirley Temple curls, and that famous hug. You are in many peoples' thoughts and prayers. I cherish each memory I have of you. Your "Babies" are growing up so fast, they miss you and comment each time they visit about something you instilled in there memories. Something you taught them, or just a simple memory like, " Nana liked that" or "Nana showed me how to do that". I know heaven has a special angel when they called you up. I am so proud of the dignity, and grace that you passed away with. I will always remember you as "MY BEST FRIEND" and "MY WIFE FOREVER AND A DAY" I will see you again sweetheart. Until then.....  
LOVE YOU!!!!*

*Everyday, I miss you more and more even though I know the time I spend away from you becomes less and less. I miss your laugh and the way you dance and just how well you handled your business. I know you already know. I love you so much.*

“ We had the memorial for Uncle Monroe in Powhatan county today. Don't tell Monroe, "it's a secret, He didn't want no fuss" You were very missed indeed. Some didn't know you had passed. Shame of it was, he didn't know Aunt Betty, or Grandma were gone either. The shock on his face was sobering. This man was one of the closest cousins you loved and stopped by often while "passing thru" on his way home. He would stop in, and Grandma would call to let us know he was visiting. We would walk over and "chat" for awhile. It always put that big 'ole smile on our faces. There were family I never met there, some I had, some that well, I got to see again because of the recent passings that this family has had to endor. A promise was made today, that the Clayton Family would have a reunion again soon. I will pray that this "Family" does it, and that I will be allowed to share in it. I was welcomed into this family when I married you 33 years ago. and we have "Clayton Blood" still running thru are babies veins says I will be welcomed with open arms.  
Thank you Debbie for letting me LOVE YOU!  
Rest In Peace Uncle Monroe Clayton  
"Til we meet again"

“ Debs, last night was very hard for me. I cried like a little, yeah I did. I crawled up in your bed,  
Thought about every word ever said to me about how God has you, and it wasn't enough!  
Sorry sweetheart, I MISS YOU!  
I just want you to know I WILL ALWAYS MISS YOU!  
4 EVER and a day ain't getting it for me right now!  
"if a man could be in two places at the same, I would be...."  
OH GOD, How I miss you NOW!  
I will cherish every thing you ever taught me, and I'll try, try to pass it on, but you girl are the teacher, I am just a 'ole stone!  
I will light a candle in your memory every day just to let you know "I LOVE YOU"  
"FOREVER AND A DAY SWEETHEART"  
"Sweet Praises are sent your way,for now."  
God, love her I did, you can keep her for now" I want her back! " see you in a "BLINK" baby

Steve there aren't enough hours in a day that a broken heart doesn't ache for the early passing of Debbie. She sure was a star that shined so bright that she burned out way before her time. I sure do miss my friend so much, words aren't enough. God Bless and blessings to you and your family. Your friend Kim

“ Debs, I can hear you now... How proud you are of everyone on Sunday. You had the whole flock there. There were 14 people whom YOU brought together and sent us all to that Beautiful Church that you fell in love with. We took up two and a half rows, I promise you that. But even before that, your 7(seven) youngest grand babies all went to their Sunday school classes just like you wanted them to, in the other Church that you love so much. There was nothing but good reports from all their teachers. Your babies sure love and miss you. Not just the little ones, but all of us. What I wouldn't give for just one last hug. And as much as I used to not be able to stand it, I'd give anything for you to "BAP!" me on the forehead and tell me I should have had a V8. Miss you and love you so much. You and Wanda keep them all in line up there. Be there to see you before you know it.

“ *Debbie grew up across the road from me and we were best of friends growing up. I went with her to a Dr. appointment when she was pregnant with Meredith and then our lives took separate paths. I would see Debbie at least once a year when she came back from Florida. The last time I saw her was when she cam by my mom's yard sale at the end of May. As we always do, I told myself I was going to go and see her but I didn't do it. R. I. P., Debbie. I pray you will have a grand reunion with your grandma and other family members.*

*I first met Debbie in Fl. when she bartended at Jack`s Place and we hit it off right away over music and her sense of humor and laugh. She was the one who turned me on to Jonny Lang and to this day every time I listen to his music I think of my Monday thru Friday girl (wink,wink Steve knows what I mean). But my best memory of her was when me,her,and Steve went to Universal Studios to see Jonny Lang and we laughed and sang and partied and rode rides all day till it was time to rock out with Jonny Lang and then we got a chance to get his autograph and shake his hand. We then laughed and sang on the ride home. It was one of the best days I ever had. My heart is so heavy with loss right now and I will never forget Debbie or Esther and Grady (wink,wink Steve knows what that means too). Goodbye my friend and when we meet up again may we share a smoke and a couple of Corona`s with some Bacardi Limon Rum. Love always and forever. Steve my brother from another mother all my love and prayers to you and your family and hopefully we`ll see each other again someday.*
