“ *I was sad to hear of Miss Debbie's passing. I met her only during her hospitalization when I had the honor of being one of her nurses. Debbie 's infectious smile and beautiful spirit immediately grasped my heart and I felt an instant connection to her as well as her beautiful family. I was fortunate to get to visit with Debbie and her family a few times before she passed and I know she was at peace and wore a beautiful smile! I know she will be missed , my thoughts and prayers are with all of her family and friends!*

“ So sad to hear of Debbie's passing. I have many fun, happy memories as youngster spending time at her home growing up and with her sisters, my cousins.  
May God comfort your hearts at this most difficult time. I know she is going to a lovely place where we will all see her again.  
You all are in my thoughts and prayers.
