“ *Debbie was 1 of the funniest women I have ever known! I moved away from Richmond and had not seen her in many years but when I think of her I smile! My deepest sympathies go to her family and friends that loved her and whom she loved. May she rest in the arms of angels free of pain. Forever in our hearts and memories.*

“ *Family & Friends, I pray that God will wrap his loving arms around each one with his LOVE, PEACE & COMFORT. She was blessed to have a family that loved her and stood by her until the end just like Jesus does. Hold on to all the sweet memories and know that one day it will be a big reunion. May God's Love shine on each one to get you through the days ahead. Love & God Bless..... Franklin & Rhonda Walton*
