

## Dennis Rhea Boswell

July 6, 1964 - November 28, 2025

Dennis “Bobcat” Rhea Boswell, 61, of West Point, VA passed away peacefully on November 28th, 2025, surrounded by his family. Dennis was known for his selfless warm heart, contagious sense of humor, and unwavering dedication to family, friends, and the great outdoors. He lived a life rich of experiences and love. He was hard-working and dedicated to anything he set out to do.

Born on July 6th, 1964 son of Betty and Richard Boswell, Dennis was a lifelong resident to West Point, VA. He graduated from King William High School in 1982 and started working for West Point Glass shortly after. He briefly worked for Tidewater Glass in Kilmarnock before starting Boswell’s Glass in 1988. He successfully owned and operated his business located in White Stone for 27 years, until beginning his true calling as a wildlife preserve manager in 2015.

Dennis’ hobbies and interests helped define who he was. He was an avid hunter for over forty years. He also enjoyed fishing, trapping, and planting food plots. On the weekends, he reveled in watching NASCAR, the Dallas Cowboys, or the New York Yankees in his garage. His love for the outdoors was something he shared with his wife, his daughter, countless friends and may youngsters who he took under his wing, leaving a mark that will never fade.

He is survived by his wife of 20 years (together for 30) Lisa Holt Boswell, his daughter Emily Fox (Devin) and soon to be heaven-sent grandson Mason. Dennis is also survived by extended family and many friends who he believed were family.

Per Dennis' wishes, no services will be held at this time. The family plans to have a celebration of life sometime in the upcoming year. May everyone find comfort in knowing that Dennis' legacy lives on through the lessons he taught us, the love he shared, and the memories we will cherish forever.

A celebration of Dennis' life will be held 2 PM, Saturday, May 16, 2026 at Vincent Funeral Home, 417 11th St., West Point, VA with a BBQ dinner and fellowship to follow at his home, 179 Boswell Lane, West Point, VA 23181.

“ From kindergarten with Emily all the way through middle & high school to our 30s, you could tell the bond Dennis and Emily had, one every little girl desires with their daddy. She was through and through a daddy's girl and Emily was the light of Dennis' life. But...Emily was such a sweetheart and shared her daddy with so many! From the time you stepped one foot into the garage you were family. Dennis would love you, hug you, kiss you and want to dance, and if he had food you better getchu something to eat. Dennis will forever be missed by so many but Dennis will be remembered for the love he gave to everyone. Thinking of you Em & "Mama" Lisa.

“ From the moment I arrived in West Point, Dennis welcomed me like family and gave me a sense of belonging that usually takes years to find. Through him, I met so many wonderful people and quickly felt connected to a community that might have otherwise taken much longer to know.

What I'll remember most is the way he shared his stories, his wisdom, and the generosity in how he took care of people. I'm deeply grateful to have known him, even for a short time, and I'll carry his warmth and kindness with me always.

“ To say that Bobcat was a One of a Kind would be the biggest understatement of the year! Loyal friend, generous to a fault and would drop whatever he was doing if it meant he could help one of his friends out. A vast wealth of knowledge when it came to hunting, trapping, fishing or anything outdoors. You'll be sorely missed for years to come buddy...rest easy now.

“ We have known Dennis Sense he was a little boy living two doors down the road from us. He would come and sit on the porch and talk until his mom would call him home. He looked like Dennis the menace. Precious little boy. He will be greatly missed. Jenny & Michael Prince
