“ As I sit here and think about all the fun times together from teaching me how to drive to learning about hunting and fishing. It just doesn't seem possible that you are gone. You have been a part of my life since I was sixteen years old. You were more my dad than my real dad. I will always love and miss you. Forever in my memory and in my heart always. Rest easy Denny Ray.

“ I remember the day Denny left to go to Texas. I always thought he was bigger than life! I remember he wore those cowboy boots all the time and I thought Texas is where he should live. Denny always had time for us younger guys. He would talk to us, usually joking around but hey he took the time to share his big smile with us and that was pretty cool in my book! So with a tear in my eye, a warmness in my heart and big smile on my face, I say adios cowboy thanks for being my friend!
