“ *I didn't know Dennis a long time as many have. In the time I did Dennis was one of the most amazing people I have had the pleasure of knowing. He was always happy and smiling always seeing things the brightest way possible. Walking the sidelines and filling me in on the local high school football team. The warm greeting every time I stopped into the country store. Conversation over a bbq sandwich at the table. A great man that will be forever missed by myself and many others. To the family, I send my love my deepest Condolences and my Sincerest apologies that I was not there to support you in this time of loss. Sending all my love and prayers!!!*

“ My husband and I were in total shock when we heard this. Our Father in Heaven calls us home only when he thinks our time here on earth is done. Dennis was a wonderful guy and always, always friendly and helpful when you entered the store that he and his wife ran. We always enjoyed stopping by to sit down at their friendly table inside and have one of the delicious barbecues, homemade sandwiches and/or hot dogs that everybody loves. Not only is their food good, but he was just one of the nicest store owners we always go to. We always felt comfortable there and it was always someone coming in with a friendly hello to he and his wife. He will always be missed by us and so many and we hope to continue going there if his family deems it so to be open. RIP Dennis, we know your Home in Heaven is a beautiful one.
