“ *I met Desiree through Kamal and Kiana and oh Lord she was such an amazing lady full of energy. Saying goodbye this soon feels wrong. We share the same birthday and I will usually call and make a joke. So instead, I will just say I love you and know you are with us always. May you find blessings in the next life my dear friend.*

“ *I had the pleasure of being Desiree's Director at Gloucester House. She had an affectionate smile and laugh that was such a joy to be around. She would befriend anyone she came in contact with. She would spend time in my office talking to me about the memories of her mother and the love she had for her sister. We have laughed together, smiled together, and cried together. Desiree, you will truly be missed and you made a lasting impression on everyone you came in contact with. Rest easy baby girl in your mother's arm and continue to smile down on all of us.*

“ *This is a memory with Desiree, Kiana and their mom. We were coming out the back door at Peasley Middle School and Kiana invited me to come say hi to her mom and she recognized me from my family; we were one of the few black families. She asked how our family was doing and sent her kind regards. Probably the nicest family in all of Gloucester* 💖💖💖💖💖💖💖💖💖
