“ Diana wasn't just our Director or "Boss" as she hated to be called that. She was our friend...The life of work and business became intertwined because of who she was. From family Christmas parties, to girl getaways...Diana did her best to be involved and show she cared. I'm so blessed that God allowed our paths to cross. Her heart for people lets me know that she was on borrowed time here, because she was truly an Angel on earth. Rest well friend, we love and miss you. ❤️

“ "Ms. Diana" had such a positive influence on our lives, especially for my young daughter. It is hard to understand the mysterious ways of the Lord sometimes, especially when wonderful people are taken from us too soon. Our love and prayers go out to Diana's family, colleagues, friends, and generations of students who thrived under her tutelage and leadership. With love, John, Andrea, & Rebekah Drummond

“ Miss Diana was such a wonderful director and teacher at Stonehouse preschool. She was a huge part of what made my daughter Rebekah's time there so wonderful. We are all so heartbroken to hear of her passing, and hope and pray her family and friends are able to somehow find peace with such an enormous loss.

“ I have known Diana since the day I was born. She was a big sister to me. She taught us how to play soccer in the backyard, SPUD in the front yard, and how to make Nancy a little crazy. She came with us on Beach trips, family vacations, birthday parties, and babysitting. I will remember her smile fondly and love the memories I have with her. May her memory always be that of a blessing.

“ I only met Diana as mother of sweet daughter Aspen, picking up after Sunday School. But it was obvious from those brief encounters that this mother was a jewel. I pray for God's comfort on her family and especially on young Aspen who was a pleasure to teach. I will always cherish the memory of Aspen going out of her way to give me a hug at her school one day when she saw me her Sunday teacher from a distance. Covid has kept us apart since, but it cannot separate God's love for one another.
