“ Sending heart felt condolences to the family. Donnie was a member of our bowling league "Oldies But Goodies" and was an inspiration to all. Donnie fought through his season of health issues. He would come to bowl even after a day/week of treatments. He loved to bowl and was such a giving person. He gave balls to several people. My best memories with Donnie was the days of practice bowling at Bowl America, Williamsburg Road. It was a small group so we really had an opportunity to get to know each other more personally. Donnie commitment and his love for God never wavered. I will miss him and our conversations.
