“ Donna was a dear friend that I knew from 1981-1983 when she worked in the Brass Store in the Hampton Coliseum Mall. I was stationed in the Navy and whenever I saw her she was a bright shining light in this world. I lost touch with her after I moved back to NY and I regretted never keeping in touch with many of the friends Especially Donna. I happened across her obituary and am truly sorry for not being able to talk to her before her passing and my prayers are with the family.

“ Thank you to all those that have responded here. Your thoughts, kind words, and memories of my sister are greatly appreciated. She was an amazing woman that gave more of herself to others of anyone that I know. She is greatly missed and I still can't believe that she is gone. Knowing that she did help so many and that her spirit and legacy remain to encourage us is a comfort. Take care and God Bless.

“ Donna, Thank you for everything!! You took me under your wing and was always patient with training me. Your support and mentorship meant everything to me and I’m forever grateful to have met you and to call you a friend and a peer. I’m going to miss our conversations about Rudy and Nola. The pictures we exchanged showing the funny things our dogs would do. I will miss that because if I was having a bad day you always seemed to know it. Today was very hard but knowing you are finally at peace and no longer in pain, it gives me comfort. You have an amazing family and I know you will be truly missed by everyone. My prayers are with Joe and your family! Thank you for always being a good friend! I will miss you

“ Donna, you were my mentor. As I am having trouble putting into words what I would like to say I know I have a lot to you thru prayer. Donna you are the true meaning of being a Servant leader. As I think of all the Servant leaders and think of the definition of servant leadership- you rise to the top. You taught me so much and was always there for me. Your laughter and quick wit will always be remembered. Ronnie Toms
