“Deepest condolences to the family, know she is rejoicing with her Lord and Savior Jesus Christ. One of my memories of Sister Sites (as I first knew her when I was but a child) has to do with the Calvary Pentecostal Tabernacle West Point Campus homecoming, she always made sure there was chocolate pie especially for me (so she said). That always touched my heart knowing that she considered me even though I was a child. Sister Sites looked out after everyone including the little ones. Another memory has to do with the monthly prayer breakfast she hosted at the Washington Burgess in a restaurant. She invited me to come and speak, I was so touched by the impact she was making on the lives of the community there in West Point. She was one who loved her Savior dearly and wanted those around her to know Him intimately.
