“ *Sending prayers up for God to comfort Doreen’s family. I met Doreen back in the 70’s through her sister (my best friend & blood sister!) Debbie. Doreen hung out with us quite often. She could be quite funny and she loved hanging out with my family. Hearing about her passing was shocking to say the least. She will be missed by many . 🙏🙏🙏*

“ Doreen and I have been so close . I have many many close times with my special cousin. She has no more suffering to go though and she is not hurting anymore and with the love of her life. You went before me but I almost went before you. I guess god not finish with me yet. But if I could take your place and let you spend more time with your precious carlton I would. Wendy will keep a close eye on him for you. God be with your family and until we meet again God bless you. Love you like a sister. Good bye and god bless
