“ To Ruth, David, Jason and the entire Morris family. Our thoughts and prayers are with you in this difficult time. We have many wonderful memories of your Mom, as well as your entire family. I have so many fond memories of your Grandfather, Ray and your wonderful Grandmother even before they were married. I remember buying hamburger meat from him at Safeway back in the fifties. Ruth, David and Jason, we had some great times at York during your high school years. I particularly remember, Ruth, when you presented me with a math book from home which your Mom, Doris, sent in to help us with some math situations. She and your Dad were always very active and interested in their children at school. Your Mom was a fantastic, one of a kind woman. We know much she loved you. She will be greatly missed

To Ruth, David and family, please know that I love you and you are in my thoughts and prayers. I always loved your sweet mama. She was a wonderful sister in law and a great friend to me. I loved her wit and the way she could just make people laugh. She will be missed by so many but I know she's now with Jesus and your sweet daddy. Please call if I can do anything at all for you. ❤️

“ To Ruth, Holden and family. I am sorry to learn of your Mom and Grandmother's passing away. Doris attended school with me at Middlesex High. She was always fun and had a smile. Though I've not seen her often as a adult it was delightful to know you as her daughter and grandson! May God bless you all and bring you peace.

“ It was sad to hear about Doris' passing and I know that her family ,, along with many others will miss seeing her around. She had a way about herself that was almost devilishly but that smile and laugh of hers always put a smile on who ever she was talking with. David and her were good for each other as they were a good couple here on earth .. now Heaven will have a tad of SPUNK with these two be re-united !
