“ *For the Moore Family:*

I'm so sorry to learn of Dot's death, it's been many years since we have been together.

I remember her Mom & Dad as we worshiped together in her Uncle Albert's Church.

Probably Loyal remembers. I always had great respect for the entire Massey/Moore/

Kurtz families. Good memories. Dot was a little older than Loyal and myself, but

she was always there for us. I know the loss hurts, but hold on to the memories.

“ *Ms. Moore was my typing teacher at Douglas Freeman many years ago. I was one of her fastest typists, and we used manual typewriters then. She was a good teacher and fine person. She once took our yearbook committee to Immanuel Baptist Church and then to dine at the former Capri Restaurant downtown. I later worked with her brother, Ken Moore, at A. H. Robins Co. My sincere condolences to Ken and their family.*

“Vince and I send our condolences to all the family. Dot was my favorite teacher at DSF and was also a friend. Memories of her direction of the "Downbeats" are still strong. I remember going to a concert at Immanuel Church with her many years ago. My, how the years have flown by. With any thoughts of DSF, I always think of her. She was a fine lady and friend.

*Blessings and peace to each of you,

“I had the pleasure and privilege of meeting Ms. Moore (Dot) when she was admitted to ManorCare-Imperial. Despite her circumstances, Dot was a person full of joy and happiness. She loved to dance and play Bingo! I resigned from ManorCare, but two years later, although bittersweet, Ms. Moore became part of the Sitter & Barfoot Veterans Care Center family, I couldn't help but burst into smiles once I saw her. Nothing had changed Dot had the same joyous spirit!! She will be truly missed. My condolences to Mr. Ken Moore and the Moore family. May the "God of all comfort" provide you all with the strength needed to endure this time of sadness and the difficult days ahead.

“As a student of Ms. Moore taking typing class during 1961-1962 school years, I appreciated very much preparing me for the business world. She was a very fine teacher and person.
