

Dorothy Althea Brown

April 3, 1948 - December 30, 2023

Dorothy A. Brown, 75, of Richmond, VA, daughter of the late Stansley and Lelia Brown, entered into eternal rest on Saturday, December 30, 2023.

Dorothy grew up in New Kent County, and got her formative education through the public schools. Upon graduating in 1966, she went on to get a Bachelors Degree in Chemistry from the Virginia State University.

Dorothy was an outspoken person who didn't mind sharing her feelings on any subject. You could find her on the phone at all times of the day talking away to her friends and family. She loved watching tv, especially her game shows that would come on. If she wasn't watching a game show she was tuned in to a football game. Dorothy loved watching football whether it be collegiate or professional. Her absolute favorite team was the Washington Redskins!

In her spare time, Dorothy loved doing puzzles; Soduko, word search, or even jigsaw puzzles were no match for her skill. She enjoyed the challenge that these puzzles presented. Most importantly, Dorothy loved her family. She was very close to her cousins and loved them dearly. She will be missed by all who knew her.

Dorothy is survived by her sisters, Rosetta Williams (Clyde), Marie Juanita Brown, Priscilla Brown and Selma Dixon; her aunt, Hannah Blizzard, along

with adored nieces, close cousins, special coworkers and dear friends.

A funeral service will be held 1pm Monday, January 8, 2024, at Ebenezer Baptist Church, 14410 Rockahock Rd, Lanexa VA 23089. Viewing will be 2 hours prior to services. Burial to follow in the church cemetery.

“ I met Miss Dot for the first time during my clinical rotations at the VA during Med Tech school in 1999. From the moment I met her and hugged her for the first time, we became family. What a wonderful coworker and friend.

She was the kindest soul I have ever met, and was always there for a warm hug, good conversation, and of course laughter. She was there for me for many big life milestones. We share a birthday, so that kept us in contact over the years after I left the lab. She will be greatly missed is a huge understatement. She was a one of a kind Angel on earth. I was blessed to know & love her.

My prayers and sincere condolences to her family!

“ I would like to offer sincere condolences, sympathy and prayers to the Brown family at this time of sorrow. I have known Dot as a coworker and a friend for many years. We worked together in toxicology at McQuire for several years and Dot was the perfect coworker: always kind, polite, professional and a joy to work with. I feel fortunate to have known her. To put it simply, Dot was just a fun person to talk to and laugh with. More importantly, Dot was a person of faith. She will be genuinely missed.

“ Dear Dot's Family, I was deeply saddened to hear about the sudden passing of our beloved Dot Brown. In our Time together at McGuire VA Medical Center, I was always touched by her warm greetings, kind spirit, and infectious smile. Dot had a remarkable ability to make everyone around her feel valued and appreciated. Her gentle and caring nature left a lasting impression; we are all richer for knowing her. May Dot's soul rest in peace. During this challenging Time, please accept my heartfelt condolences. May cherished memories of Dot bring you comfort, and may the love she shared with the world continue to inspire us all.

To the Brown family. I was sorry to hear of Dorothy's passing. Dorothy was my classmate. Over the pass couple of months we would see each other at Krogers and have long conversations about everything. She had a great sense of humor. She will be missed.

My deepest sympathy to the Brown family. I remember Dorothy as a schoolmate, she was always soft spoken, and very kind. I reconnected with her and her sisters, while I was working at Captain D's. We would have long conversation about schools day at George Watkins. Rest in peace.

It is with my deepest sympathies extended to the Brown Family in their loss and God's gain, of Dorothy Brown. She was a mighty source of empowerment while at George W. Watkins High School. She will be solely missed by us but she is now resting in God's garden promoting whatever he directs.
