“ When I'm at Dot back in 1982 through her daughter Sheri - I was completely inspired by this woman in her statue of being and her career as an independent woman that inspired me to pursue the career that I am in today and I want to thank God so much for giving me the inspiration for being the man that I am today in my career and my life and she will truly be missed . Love always Faron

“ Dear Jean and family,
I am so sorry for your loss.
I did not know Dot until I was on the NKHS Reunion Committee with her. She was the treasurer and always did a great job and we could count on her to do her job with promptness and accuracy.
I always looked forward to seeing her. She will be missed.
With heartfelt sympathy.

“ Seems like yesterday when we all hung out. I still remember playing basketball in front of her big brick house. And her pretty roped living room she had. She always had a smile.

Good memories back in the day. She was a beautiful lady for sure. Many prayers go up to Dianne, Sheri, Tommy and Donnie. And family and friends.

Stay near to God and remember His promise of eternal life. So we may all meet again one day where there will be no sorrow and no pain. Love you all God bless

Dot and I worked together at Penley & Robbins for a few years (and played too). She taught me the ropes when I first entered the Real Estate Sales field. I tried to call her about 2 weeks ago; not knowing she was ill. Prayers for all of her family. Sandra Seelmann.
