“ I am very sorry to hear about Doug's passing. My brother and I would see him and had the opportunity to play golf several times with him at JLCC and to get to know him some and his family. He was a very courageous and pleasant gentleman and enjoyed life and his family, especially his two grandsons that he was able to watch, enjoy and share many good times with. My condolences for his family and friends and my lasting memory of him will be his walking and playing golf which he enjoyed very much when not with his other family pursuits.
