“ To the best Grandma in the whole wide world. Just the other day I was thinking about you  
It and missing our long conversations. You knew exactly what to say to get me motivated and out of a funk. Missing you like crazy but I know that it won't be long before I see you again. Love you  
Grandma. Felicia .

“ Grandma I love you and it hurts that you aren't here physically, but I know that you are with God now. When I think of you I think of a strong independent woman, and I only hope that I can live a long fulfilling life like you did. I can still hear you now telling me the story about when grandpa DOC was snoring and I went to investigate it and when I figured out it was him I smiled at you. Love you so much grandma you will truly be missed.
