“ *Effie was a special member of our family and was a wonderful person to know. From my childhood memories, I will always remember how sweet she was to my mother Florence Garris, and how much my mother loved her.*

“ *I will always remember those delicious Chocolate Chip cookies Ms. Bray made. Some will say there was no special ingredient to make them taste so good. But I know the secret; they were filled with love from a special lady that was kind, fair and loving to everyone (and all were welcome) that entered her home. My thoughts and prayers are with the entire Bray family.*
