“ Colonel Webb and family,  
There are no words to describe our feelings at finding out Mrs. Webb has passed away. God had to be in need of a Special Angel! She was so wonderful and could light up a room with her smile. She loved her country and all the ones who fought for it! We will miss her so, so very much. God Bless You!

“ God has called another flower home to His garden! I am grateful that my family had a chance to know you and your family! Your smile always made me amazing no matter where we would see each other! Memorial Day observance will always be remembered but will never be quite the same! I pray this tradition will be carried on to help our young people know and appreciate the sacrifices many men and women have made to make us a free nation! Thank you for the love! God bless!
