“ *Wade*

I find myself struggling to put my thoughts into words. Since we first met 14 years ago you have been more than a neighbor to us. You and Maggie have been a part of our family. You have watched our family grow and been a big part of our lives. We all miss you very much. There isnt much around the H and H ranch that doesnt remind me of you. Rest easy my fellow Airman.... We are here for Maggie and will help and support her in any way we can. Until we meet again in Heaven... you memory will forever live in my heart.

“ My heartfelt condolences go out to Maggie, and her family in the loss of there Loved one. As I fight back the tears from the loss of my friend, I hear a voice in my head saying don't be upset, I had a really good run. "Wadebo" as I called him was a good friend, whose outlook on life was both respected, and admired. He never had a bad thing to say about anybody or anything in all the years I knew him. His years in the Air Force took a toll on him but he was always proud to have served and told me he had no regrets, and would do it all over again. Short, frequent visits were always filled with stories, laughter, and helping each other out. And that to me is the true definition of a great friend. You will surely be missed and Maggie, Please let me know if you need a hand with ANYTHING. Not just during these hard times, but forever. Rodney Guerin or as Wadebo called me, "Rodbo"
