“ *All I can say about my grandma is what I will remember most....Her saying “Brian can you fry me some fish?”... So, I did as was asked got the fish, cooked it, and carried it to her ...wow she could eat! It made my day and especially hers. A few days later she would ask me if I had any more of that good fish. I would tell her “ naw...it’s not the fish it’s the cook”. She would say “ANYHOW...I need some more”. Right now me and the fish are missing her!*
