

Eric Walker Lemons Jr

February 27, 1969 - March 8, 2020

Eric Walker Lemons, Jr. (Ricky), son of Eric Walker Lemons, Sr. and Frances Ann Lemons departed this life on Sunday, March 8, 2020. He was a resident of New Kent County, Lanexa, VA.

Ricky was a top-notch auto mechanic technician and a real philosopher. He was educated in the New Kent County Public School System. He did additional studies at J. Sargeant Reynolds and Rappahannock Community College. Rick was an outstanding athlete; playing baseball, basketball, and football for New Kent High. He was employed with Fetty Auto Service Center in Richmond, VA. He loved that shop like it was his own, cared for the people he worked with, and helped his friends when he was off duty.

He leaves to cherish his loving memories and that big smile his devoted parents-Eric and Frances Ann; six sons-Morgan, Eriq , Khalil, Xavier, Joshua, and Israel; one sister-Rev. Dr. Melissa Lemons; one grandson, Dimitri Lemons; aunts, Alease Christian (Charles), Frances Watkins, and Marie Moore; uncles-Charles Lemons (Teresa) and Paul Christian; great aunt-Lillian Howard; great uncle-William Street (Shirley); God-mother-Darlene Allen; God-father-Wayne Street (great uncle); and God-sister-Tina Watkins; and a host of loving cousins and true friends. His sense of humor lives on in them.

“ Ricky, I remember all of the good times that we had growing up together. You always made us laugh whenever you were around. I remember you telling us each Christmas that y'all had a Charlie Brown Christmas tree and how mama would always bring that up when you came around. When y'all would come over to make a rap tape and I was the one who had to press play and pause. All of the memories of us growing up together will never be forgotten. Every time that we would see each other we would say that we needed to catch up and start talking on a regular basis again but life got in the way and right now that is one of my biggest regrets. I will forever love and miss you cousin. This has been a very bitter pill to swallow. My prayers and love to Ann, Eric, Melissa and all of Ricky's sons. Our entire family has lost someone that was such a light that shined on us all whenever he was around.

“ You were my mentor you were my dad you were my everything. You always taught me from right or wrong and when I argued with my brothers you would tell me don't hold grudges against my loved ones because they time could come any day. I noticed you were starting to talk to me different at the end of 2019 every time I asked for money you would want me to come up there to work with you at your job to earn my own money you were showing me I needed to work for my own things in life and I really didn't understand that at the time but I see why you did that I'm glad you showed me the man I needed to be in life and not make the same mistakes you made because you wanted me to be better than that you were just talking to me the day before you left I love you dad and I know you are watching over me now it seems like I was just sitting on the couch with you and you were telling me about the food you were bout to make would be good I will miss your cooking and mostly miss you being here with me I love you dad

“ We had a great love story. You are one of the smartest people I've ever met. I'm thankful for the time we had together. You have told me more than once in the last few months that you were ready to be with the lord and preparing all of your boys. I didn't quite know that you were serious 😭. Although we've had our disagreements towards the end I am heartbroken. You gave me the wonderful gift of our son Izzy. I will be most grateful forever for that and the knowledge you gave me about certain topics. We all love and miss you, Andre, Latrell, Israel, Sakura and I.

“ My heart has been broken since I got the news about you passing. You were my big brother, my first and only mechanic(until I got grown and got ur boy LOL) and most important my protector. Gosh the stories I could tell LOL!! I will always remember when we were younger and doing the 3 Stooges joke with the black pepper trying to make me sneeze and the pepper got in my eyes instead of my nose, Mannn my eyes were burning so bad. LOL. I can still hear you yelling at me when you saw me pull up WHOOODDDDDIIIEEEE! All of the talks we shared that no one knew about up until just recently. I will never ever forget what you told me! God must have had some chariots that needed some work on and knew you were the only one that would be able to fix it. I know Pop, Gee-Gee, Uncle Wilson, Uncle Jim, Tweetie, Nana and TW were waiting for you. Do me a favor and stop in and check on me every now and then, just don't scare me like you did when we were younger. I will miss you immensely and will love you always.

Love your lil sister
