When we worked at Dupont Erika was a mentor and a friend. She helped me a lot and guided me along the way. I will truly miss her. She was a dear friend. Will really miss you for now. Will be seeing you in the future. We know where you are. In the arms of Jesus.

“ My dear mother, I will always treasure your beautiful appearance and your sweet voice. You were always there for your children, grandchildren, and all your family members. In your life, you had to make decisions that you certainly didn't always like, but everything is fine. I wish you all the best for your new life. I would also like to thank everyone who took such wonderful and touching care of you. Love, Wolfgang

“ I am so deeply sorry for your loss. Ms. Ramey was always such a kind and genuine person every time I saw her. She had a way of asking about you that truly made you feel cared for. I loved hearing stories about how hardworking she was. It was so clear how deeply she loved her family. She will be remembered with so much love and will be deeply missed.
